Dark Heaven is the fastest growing miniature line in America, and with good reason. We use only the best sculptors in the world such as; Sandra Garrity, Bob Ridolfi, Jim Johnson, Steve Saunders, Julie Guthrie, and Richard Kerr.

Big news! This catalog announces the arrival of the Dark Heaven Apocalypse. This fast-action fantasy warfare game comes complete with dice, a starter pack of miniatures, and a world book detailing the land of Adon. Look for it in August!

Battletech Official Mechwarrior Apparel is what you need to show your true colors. Whether it's an insignia badge or keychain we offer sixteen different organizations in subdued or full color.

The official DOOM miniature line. The creatures you love to hate. The Cyberdemon is an amazing 70mm tall and is packing all the attitude from the award winning game.

Shadow Corp is by far the best 15mm fantasy line on the market today. All figures have been sculpted by H.G. Wells award winning sculptor Rene Perez. The Orcs have arrived with Elementals soon to follow!

Our Daimyo miniatures have won Best Historical Figure Line for two years and it's easy to see why. You won't find a better historical line anywhere else!

The best just keep getting better! We have expanded the Pro-Counter line to include the new Talisman Counters.

REAPER OF THE APOCALYPSE "FAMINE"
ON HIS UNDEAD HORSE
BY RICHARD KERR

War sat atop his zombie lion steed and surveyed the battlefield. It slowly gazed about, absorbing the sights of the decimated land with its glowing red eyes, a look of malevolent satisfaction etched upon his skeletal features. This land would be added into his growing empire in northern Adon....

First, I will enjoy telling you that I am not here to help you. In fact I despise your existence and that of the thing whose name you take for your own. I am the Reaper Skythe, Lord of the Rift. The place you now stand belongs to me; I rule the domain between the plane of death and the planes of life, the Rift. Nothing passes between without offering me their toll.

BATTLETECH®

*Where nature's laws threatened the weary;
When food, water even air itself ran low.
It took just a command, a word, a smile,
From the General to light the way.
He was comfort, stern courage, compassion
To our sires as he led them from the fires
That grew and fed on those they left behind*
-The Remembrance Passage 2, Verse 14, Lines 18-24
